SERVICES

All services provide edited, ready to use on the web digital content.

PHOTOGRAPHY

RESIDENTIAL

PHOTOGRAPHS

A set of quality photographs which best portray interior and exterior spaces and highlight the best features of the residential property.

EXTERIOR ONLY

Exterior photographs of a residential property covering façade, main entrance, and other main features.

EXTERIOR TWILIGHT HOUR

Photographs of a residential property during sundown. The photo-shooting takes place during sunset or sunrise hours.

DRONE

Aerial photographs of a residential property or land.

HOTEL - COMMERCIAL BUILDING

- A) Half day - 4 Hours Photo-shooting
- B) Full day - 8 Hours Photo-shooting

Services provided depend on client's needs.
The package can include photographs of interior, exterior spaces and aerial photographs(drone).

VIDEOGRAPHY

Videos are edited, colour graded and enriched with licensed music.

RESIDENTIAL

DRONE ONLY

Up to 60 seconds aerial video.

FULL HOUSE OR APPARTMENT VIDEO

Up to 90 seconds video, showcasing the best features of the property. Including exterior-drone footage.

TIME LAPSE CONSTRUCTION VIDEO

Time-lapse video which documents the construction progress of a residential property / project.

HOTEL - COMMERCIAL BUILDING

DRONE ONLY

Up to 60 seconds aerial video, covering the facilities of a commercial property.

COMMERCIAL VIDEO

Up to 90 seconds video showcasing the facilities of a commercial property/ hotel.

VIDEO CUSTOMIZATIONS

BASIC TITLES/ TEXT & LOGO

Addition of company logo, contact details, description titles or short text.

KEY LOCATIONS CLIPS

Additional clips covering nearby, key location areas (city center, landmarks etc).

TRACKABLE MOTION GRAPHICS

Trackable motion graphics may include pins, property outlines, informational text or any other vector based graphics that follow the movement of the video.

VIRTUAL TOURS

RESIDENTIAL | HOTEL - COMMERCIAL BUILDING

Full virtual tour, ready to share and import to any website. Virtual tours allow viewers to experience and interact within the space and virtually “walkthrough” from any smart device.

FLOOR PLAN

Blueprint that shows the layout of the rooms of a building with accurate measurements.
